Annual

Convention

Become an Agent of

The Dermatology Nurses' Association (DNA) is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

Dermatology Nurses' Association

IN-PERSON & VIRTUAL

41st ANNUAL HYBRID CONVENTION February 7-9, 2023

Savannah Convention Center • Savannah, GA

The Dermatology Nurses' Association is a professional nursing organization comprised of a diverse group of individuals committed to quality care through sharing knowledge and expertise. The core purpose of the DNA is to promote excellence in dermatologic care. Members work with board certified dermatologists in offices, outpatient facilities, hospitals, and other settings where patients need dermatology care.

We are pleased to invite you to exhibit during the DNA 2023 Annual Hybrid Convention to be held February 7-9, 2023 at the Savannah Convention Center, Savannah, GA. We anticipate more than 200+ dermatology nurse professionals to attend in person and more virtually.

As an exhibitor, you will have an outstanding opportunity to personally present your important sales and marketing message to hundreds of nurses

who initiate product evaluations and who purchase products for use. If your products are used in the dermatology market, your participation with DNA is certain to benefit your sales and marketing program.

The exhibit schedule has been designed to provide the best time for nurses to view exhibits and speak with representatives about products and services. Take advantage of this opportunity to exhibit among dermatology nurses and increase your sales while you support the DNA! Join us in Savannah, GA!

Sincerely,

Tom Greene

Information for Exhibitors

DNA's Annual Hybrid Convention attracts more than 200+ attendees, both members and non-members of the DNA representing all segments within the dermatologic arena. Convention attendees come from all over the US and Canada for educational opportunities and peer-to-peer networking.

The Exhibit Hall offers companies the opportunity to highlight products and services that keep this expanding specialty moving forward. DNA nurses look forward to learning about new procedures, tools and techniques that they can immediately adopt in their practices and facilities.

WHO SHOULD EXHIBIT?

Dermatology nurses hold significant decision-making power and are influential in the areas of investments and product referrals being made within their respective practices and facilities. If you want to reach this highly influential audience, you can't afford to miss the DNA 2023 Annual Hybrid Convention!

Convention Attendees

Rules and Regulations

Assignment of Space

All applications for space must be filed on the contract form enclosed. Please keep a copy for your records. The primary consideration in the assignment of space to exhibitors shall be in the best interest of the Association. The Dermatology Nurses' Association may at its discretion accept or reject any application for space and reserves the right to relocate or reassign space at any time for the overall benefit of the convention. In determining your overall level of support to DNA, DNA takes into account: your past and present exhibit participation; participation in DNA's Corporate Membership Program; advertising support of DNA publications; miscellaneous grants and sponsorships; etc.

Exhibitor Services

The following services will be provided to exhibitors at no additional charge.

- A standard pipe/drape set
- A standard identification sign showing exhibitor's name and booth number
- Exhibit description in the Convention Event Page
- Pre-registration of booth personnel
- Pre-registration list of attendees (distributed on-site)
- Complimentary refreshment breaks served in exhibit hall

DNA Policies

If material on display is not in keeping with DNA policy and philosophy, we reserve the right to demand its removal. Canvassing outside of the booth is forbidden. Vendors and/or exhibitors may not distribute materials to other exhibitors at any time within the hall. All business must be conducted from within each exhibitor's booth.

Decorator Services Shipping Instructions

DNA will make arrangements with an official contractor to handle all exhibit-related needs. They will have labor available for set-up and will also provide furnishings. The drayage firm will

receive, store, and deliver exhibits directly to the exhibit hall on set-up day. All shipments must be prepaid and consigned as indicated on the floor plan page.

Security and Liability

All efforts will be made to provide adequate security for the exhibit area. However, each exhibitor must make provisions to safeguard their valuables from the time they are placed in the exhibit area until they are removed. Neither the Dermatology Nurses' Association nor the Hotel will be responsible for loss or damage due to any cause. DNA is not liable for any additional expenses incurred by exhibitors beyond booth fees and the exhibitor hereby releases DNA from any and all claims of every sort it may have against DNA based upon, arising out of, or in connection with or related to the trade show, including, but not limited to loss, theft, damage, destruction, or delay or non-delivery of goods, display material and other effects.

These rules and regulations are to be construed as part of all space contracts. The Dermatology Nurses' Association reserves the right to interpret them as well as make final decisions on all points the rules and regulations do not cover.

Registration

Advance registration will be provided. All exhibitors will be required to register. A special exhibitor registration area will be provided on-site. Exhibitors are entitled to three complimentary exhibit badges per booth. Additional badges over three will be available for \$100 each. Admission to the exhibit area will be by badge only.
